

NATIONAL NATIVE HIV/AIDS AWARENESS DAY

COMMUNITY EVENTS MAP FORM

The National Native HIV/AIDS Awareness Day committee (Commitment to Action for 7th-Generation Awareness and Education: HIV/AIDS Prevention Project [CA7AE: HAPP], ETR, Florida Department of Health, Great Plains Tribal Chairmen's Health Board [GPTCHB], Inter Tribal Council of Arizona, Inc. [ITCA], National Native American AIDS Prevention Center [NNAAPC], Navajo Nation Health Education Program, and Salish Kootenai College) is honored to release the 2015 NNHAAD Nationwide Community Events Map. This online map was created to publicize events taking place across the country in recognition of National Native HIV/AIDS Awareness Day.

The map will feature a national map with links to individual state maps showcasing events taking place on or near March 20th. Event information will include details of the event, time, and location.

To submit your event, please complete the following form and send it to any of the committee partners listed above. Please complete all of the required fields, incomplete entries will not be included on the map. Deadline for submission is March 13, 2015. Please send online submission of events by visiting www.nnhaad.org/pages/events.html.
